Dear President Zingg:

I am pleased to inform you that on June 18, 2008, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, took action to remove the technical stipulations placed on California State University, Chico. As a result of the above action, the Committee on Accreditation changed the accreditation status of California State University, Chico from "Accreditation with Technical Stipulations" to "ACCREDITATION".

Although all stipulations have been removed, the Commission asks the institution to provide information in the 7th Year Site Visit Follow up Report regarding the Preliminary Administrative Services Credential program to ensure that clinical experiences occur in diverse placements.
